

\$500.00 Referral Fee(easy \$\$\$)

Educated Roofing Systems, is a full service, locally owned and operated, roofing company specializing in all types of roofing systems. We have local specially trained crews, supervised by our sales associates, to work with each specific roofing system, including, composition shingles, standing seam metal, ornate architectural metal roofing, tile, Decra, Duraslate, and other products. With our ability to meet or exceed our customer's expectations and having been associated with the residential construction business since 1972, Educated Roofing Systems is able to get the best pricing on both materials and labor and pass those savings on to our customers. In addition to great savings, we also offer one of the best warranties in the industry.

Educated Roofing Systems is properly insured in accordance with all Texas State provisions. We are proud of this, as many roofing contractors do not carry any form of liability insurance. This is important when selecting a roofing contractor to perform work on your property. We are dedicated to protecting our customers as well as our employees and crews.

More information about our History, Insurance, and Mission Statement is available upon request.

That's Right!!! Educated Roofing Systems, (ERS), will pay a referral fee of \$500.00, to anyone, upon referral and completion of the job. Re-roofs, New Construction, Multi-Family.

All one has to do is have your customer call us at: 888-884-9727, or Fax 888-884-9719. We will give them a more than competitive bid. When the job is complete, we will send you a \$500.00 check. Or fill out the information below, send it to us via e-mail, or fax, and we will make the contact to your customer.
